

Highway Construction & Maintenance

Highway Construction & Maintenance

The construction and maintenance of highways are managed generally by large organisations specifically designated to control the works by local authorities.

The actual plan of work in constructing, maintaining, or repairing highways is at the discretion of the highway authorities and generally includes provisions for –

- Grass Cutting
- General Maintenance
- Small re-habilitation schemes
- Large schemes (new roads, footways, cycle paths)

Within our organisation, we have fully qualified and trained teams to carry out all aspects of highway working.

Our qualifications include –

- CSCS Compliant
- CPCS Compliant
- NRSWA Certification
- NVQ Trained
- IOSH Trained
- City & Guilds qualified

Due to our extensive training, we are able to provide either labour only or carry out full contract works for the following disciplines –

- Kerbing
- Resurfacing
- Potholes
- Drainage
- Sign installation

Devon & Cornwall - 01752 690400
